All policies of insurance shall provide for ten (10) days written minimum cancellation notice to Secured Party and at request of Secured Party shall be delivered to and held by it. Secured Party is hereby authorized to act as attorney for Debtor in obtaining, adjusting, settling and cancelling such insurance and endorsing any drafts or instruments. Secured Party shall be authorized to apply

the proceeds from any insurance to the Obligations secured hereby whether or not such Obligations are then due and payable.

(13) Keep and maintain the Collateral in good condition and will make replacements in kind, or by chattels of substantially equal value and service, and all replacements shall be covered by the security interest herein granted to Secured Party, and will endeavor to maintain such Collateral at its present worth, ordinary wear and tear alone excepted.

(i) Debtor will not without Secured Party's prior specific written consent:

(1) Remove the collateral from the Continental United States without providing for the protection of Secured Party's security interest to Secured Party's satisfaction.

III

RIGHTS AND REMEDIES OF SECURED PARTY

(a) Rights Before or After Default.

(1) This Security Agreement, Secured Party's rights hereunder or the indebtedness hereby secured may be assigned from time to time, and in any such case the Assignee shall be entitled to all of the rights, privileges and remedies granted in this Security Agreement to Secured Party, and Debtor will assert no claim or defenses he may have against Secured Party against the Assignee, except those granted in this Security Agreement.

(2) Secured Party may execute, sign, endorse, transfer or deliver in the name of Debtor notes, checks, drafts or other instruments for the payment of money and receipts, certificates of origin, application for certificates of title or any other documents, necessary to evidence, perfect or realize upon the security interest and obligations created by this Security Agreement;

(3) Secured Party may, at its option, whether before or after default, but without obligation to the Debtor, discharge taxes, liens or security interests or other encumbrances at any time levied or placed upon the Collateral, and may place and pay for insurance thereon, or pay for the repair, improvement, maintenance and preservation of the Collateral and pay any filing or recording fees necessary to preserve and protect the Secured Party pursuant to the foregoing authorization, and such amount shall constitute additional obligations of Debtor which shall draw interest at the maximum applicable legal rate and said obligations and interest shall be secured by and entitled to the benefits of this Security Agreement.

(4) Secured Party shall have the right at any time, in its own name or in the name of Debtor, whether before or after default by Debtor, to notify any and all account debtors, lessees, and parties to any agreement affecting or covering the Collateral to make payment thereof directly to Secured

Party and to demand, collect, receive, receipt for, sue for compound for and give acquittal for, any and all amounts due or to become due on the accounts and to endorse the name of the Debtor on all instruments and commercial paper given in payment or part payment thereof, and in its discretion to file any claim or take any other action or proceeding which Secured Party may deem necessary or appropriate to protect and preserve and realize upon the Security Interest of Secured Party in the Collateral; but to the extent Secured Party does not so elect, Debtor shall continue to collect the accounts. All proceeds of collection of Accounts received by the Debtor shall be forthwith accounted for and transmitted to Secured Party in the form as received by Debtor and shall not be commingled with any funds of the Debtor. All monies, income and benefits due or to become due to Debtor by virtue of leases covered by the Management Agreement shall be transmitted to Secured Party with the Quarterly Reports as such monies, income and benefits become due and payable. Debtor agrees to notify Richmond to transmit all payments due pursuant to paragraph III-8 of the Management Agreement or otherwise to Secured Party. All such remittances described above shall be applied and credited by Bank first to the discharge of any expenses or damages for which Secured Party may be entitled to receive reimbursement under the terms of the Obligations, this agreement, or otherwise, then to the payment of any past due installments of interest, and then to the payment of the earliest maturing of the Principal Obligations under the notes secured hereby, then as additional security for any and all other obligations of Debtor to Secured Party which remain unpaid.

(5) Any and all deposits or other sums now held or hereafter at any time credited by or due from Secured Party to Debtor shall at all times constitute additional security for the Obligations and may be set off against any of the Obligations at any time whether or not such are then due or other security held by Secured Party is considered by Secured

Party to be adequate. Any and all instruments, documents, policies and certificates of insurance, securities, goods, accounts, choses in action, chattel paper, general intangibles, cash, property and the proceeds thereof owned by Debtor or in which Debtor has an interest which are at any time in possession or control of Secured Party or in transit by mail or carrier to or from Secured Party or in the possession of a third party acting for Secured Party's benefit, without regard to whether Secured Party receives the same in pledge, for safekeeping, as agent for collection or transmission or otherwise, shall constitute additional security for obligations of Debtor and may be applied at any time toward Obligations which are then due whether by acceleration or otherwise.

(6) If Secured Party should at any time be of the opinion that the Collateral is not sufficient or has declined or may decline in value, or should Secured Party deem payment of Debtor's Obligations to Secured Party to be insecure, then Secured Party may call for additional Collateral satisfactory to Secured Party, and Debtor promises to furnish such additional security forthwith. The call for additional collateral may be oral, by telegram, or United States mail addressed to Debtor and shall not affect any other subsequent right of Secured Party to exercise the same. Debtor agrees that Secured Party shall have no duty or obligation to collect any account or enforce any general intangible, or to take any other action to preserve or protect the Collateral; however, should Secured Party elect to collect or enforce any general intangible or account, Debtor releases Secured Party from any claim or claims for loss or damage arising from any act or omission in connection with such collection or enforcement.

(B) Rights in Event of Default

(1) Upon the occurrence of an Event of Default, or if Secured Party deems payment of Debtor's obligations to Secured Party to be insecure, and at any time thereafter, Secured Party may declare all obligations secured hereby

immediately due and payable and shall have all the rights and remedies of a Secured Party under the Uniform Commercial Code of Texas, or its equivalent if it is not applicable, including without limitation thereto, the right to sell, lease or otherwise dispose of any or all of the collateral, and the right to take possession of the collateral, and for that purpose Secured Party may enter upon any premises on which the collateral or any part thereof may be situated and remove the same therefrom. Secured Party may require Debtor to assemble the collateral and make it available to Secured Party at a place to be designated by Secured Party which is reasonably convenient to both parties. Unless the collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Secured Party will send Debtor reasonable notice of the time and place of any public sale thereof or of the time after which any private sale or other disposition thereof is to be made. The requirement of sending reasonable notice shall be met if such notice is mailed, postage prepaid, to Debtor at the address designated at the beginning of this Security Agreement at least five days before the time of the same or disposition. Expenses of retaking, holding, preparing for sale, selling or the like shall include Secured Party's reasonable attorney's fees and legal expenses, and Debtor agrees to pay such expenses plus interest thereon at the maximum legal rate provided by applicable law. Debtor shall remain liable for any deficiency. In addition, Secured Party shall have all the rights and remedies listed under Section A pertaining to rights exclusive of default.

(2) Secured Party may remedy any default and may waive any default without waiving the default remedied or without waiving any other prior or subsequent default.

(3) The remedies of Secured Party hereunder are cumulative, and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any of the other remedies of a Secured Party.

IV

EVENTS OF DEFAULT

(a) Debtor shall be in default under this Security Agreement upon the happening of any of the following events or conditions (herein sometimes called an "Event of Default"): (1) failure of Debtor to pay when due any interest on or any principal or installment of principal of any of the Obligations of Debtor to Secured Party; (2) the occurrence of any event which under the terms of any evidence of indebtedness, indenture, loan agreement, security agreement or similar instrument permits the acceleration of maturity of any indebtedness of Debtor to Secured Party, or to others than Secured Party; (3) any representation or warranty made by Debtor herein or made in any statement or certificate furnished to Secured Party by the Debtor pursuant hereto or in connection with any loan or loans proves incorrect in any material respect as of the date of the making or issuance thereof; (4) default occurs in the observance or performance by Debtor of any provision of this agreement or of any note assignment or transfer under or pursuant hereto or any other agreement, note, assignment or transfer between Debtor and Secured Party; (5) the death, dissolution, termination of existence, insolvency or business failure of the Debtor, or the application for the appointment of a receiver of any part of the property of the Debtor, or the commencement by or against the Debtor of any proceeding under any bankruptcy, arrangement, reorganization, insolvency or similar law for the relief of debtors, or by or against any guarantor or surety for the Debtor, or upon the service of any warrant, attachment, levy or similar process in relation to a tax lien or assessment; (6) loss, theft, substantial damage, destruction, sale (except as authorized in this Security Agreement) or encumbrance to or of any of the collateral, or the making of any levy, seizure or attachment thereof or thereon or any other impairment of Secured Party's security interests;

or (7) the Collateral becomes, in the judgment of Secured Party, unsatisfactory or insufficient in character or value.

VI

GENERAL

(a) This loan is made under the laws of the State of Texas as in existence as of the date of this agreement. To the maximum extent possible, this Security Agreement and related agreement and document are to be construed, interpreted and governed by the laws of the State of Texas.

(b) It is the intention of the parties hereto to comply with the usury laws of the State of Texas; accordingly, it is agreed that notwithstanding any provisions to the contrary in this agreement, or in any of the documents evidencing the Obligations secured hereby or otherwise relating hereto or any other agreement, in no event shall this agreement or such documents require the payment or permit the collection of interest (effective, nominal, or otherwise) in excess of the maximum amount permitted by such laws. If any such excess of interest is contracted for, charged or received, under this agreement or under the terms of any of the documents evidencing the Obligations secured hereby or otherwise relating hereto, or any other agreements, or in the event the maturity of the indebtedness evidenced by the Obligations is accelerated in whole or in part, or in the event that all or part of the principal or interest of the Obligations shall be prepaid, so that under any of such circumstances the amount of interest contracted for, charged or received under this agreement or under any of the instruments evidencing the Obligations secured hereby or otherwise relating hereto, on the amount of principal actually outstanding from time to time under the Obligations shall exceed the maximum amount of interest permitted by the usury laws of the State of Texas, then in any such event (1) the provisions of this paragraph shall govern and control, (2) neither the Debtor nor any other person or entity now or hereafter liable for the payment of the Obligations,

shall be obligated to pay the amount of such interest to the extent that it is in excess of the maximum amount of interest permitted by the usury laws of the State of Texas, (3) any such excess which may have been collected shall be either applied as a credit against the then unpaid principal amount hereof (but only if it can be legally so applied) or refunded to Debtor, at the holder's option, and (4) the effective rate of interest shall be automatically reduced to the maximum lawful contract rate allowed under the usury laws of the State of Texas as now or hereafter construed by the courts having jurisdiction thereof. It is further agreed that without limitation of the foregoing, all calculations of the rate of interest contracted for, charged or received under this agreement or under such other documents which are made for the purpose of determining whether such rate exceeds the maximum lawful contract rate, shall be made, to the extent permitted by the laws of the State of Texas, by amortizing, prorating, allocating and spreading in equal parts during the period of the full stated term of the loan or loans evidenced by the Obligations, hereby, all interest at any time contracted for, charged or received from Debtor or otherwise by the Secured Party in connection with such loan or loans.

(c) Any provision hereof found to be invalid under the law of the State of Texas, or any other state having jurisdiction, shall be invalid only with respect to the offending provision. All words used herein shall be construed to be of such gender or number as the circumstances require. If this Security Agreement is executed by more than one Debtor, the obligation of all such Debtors shall be joint and several. This agreement shall be binding upon the heirs, personal representatives, successors, or assigns of the parties hereto, but shall inure to the benefit of the successors or assigns of the Secured Party only.

(d) Any carbon, photographic or other reproduction of any financing statement signed by Debtor is sufficient as a

financing statement for all purposes, including, without limitation, filing in any state pursuant to the provisions of the Uniform Commercial Code and the regulations of the Interstate Commerce Commission.

(e) In order to induce Secured Party to advance and loan such funds to and/or for the benefit of Debtor, Debtor hereby covenants and agrees that in the event of default by the Debtor (an event of default shall be any one of those Events of Default stated above) that the Secured Party shall have the absolute and unconditional right, without prior notice and/or any prior hearing of any kind whatsoever, to seize and take possession of the Collateral, and furthermore the Debtor does hereby expressly waive any right to any prior notice and/or any prior hearing prior to any right to any prior notice and/or any prior hearing prior to seizure and taking possession of the Collateral and/or property by the Secured Party in the event of default by the Debtor.

(f) Debtor agrees to pay in full all reasonable expenses, including reasonable legal expenses and attorney's fees, of the Secured Party which have been or may be incurred by the Secured Party in connection with the preparation of this agreement, the Obligations secured hereby, the collection of any of the Obligations secured hereby, the enforcement of any of Debtor's obligations hereunder and under any document executed in connection with the granting of security for the payment of any of the Obligations secured hereby, and the recording and filing and re-recording and re-filing of any such document.

(g) The security interest hereby granted and all the terms and provisions hereof shall be deemed a continuing security agreement and shall continue in full force and effect, and all the terms and provisions hereof shall remain effective as between the parties, until the first to occur of the following: (a) the expiration of four (4) years from

the date of payment of Debtor's last obligation to Secured Party; or (b) repayment by Debtor of all Obligations secured hereby and the giving by Debtor of ten (10) days written notice of revocation of the terms and provisions hereof.

(h) The term "Debtor" as used in this instrument shall be construed as singular or plural to correspond with the number of persons executing this instrument as Debtor. The pronouns used in this instrument are in the masculine gender but shall be construed as feminine or neuter as occasion may require. "Secured Party" and "Debtor" as used in this instrument include the heirs, executors or administrators, successors, representatives, receivers, trustees and assigns of those parties, except as otherwise limited herein.

(i) The acceptance of any late payment or the waiver or modification of any term of this security agreement or any promissory note shall not be construed as being a waiver of the prompt payment of any subsequent payments due or as being the waiver or modification of any other terms of this security agreement or any promissory note. No waiver, modification or additional terms shall be effective unless made in the form of a writing signed by Secured Party and Debtor. The terms used in this instrument which are defined in the Texas Uniform Commercial Code are used with the meanings as therein defined.

(j) This Security Agreement grants to Secured Party a first and prior lien to secure the payment of the debts referred to herein, and extensions and renewals thereof. For the purpose of this paragraph, an extended or renewal note shall be considered executed on the date of the original note. Debtor waives presentment, demand, notice of dishonor, protest, and extension of time without notice as to any instruments and chattel paper in the collateral paper.
